From the President:

The rain storm held off with just some minor sprinkles at our annual ASPE Golf Outing located at Fowlers Mill Golf Club. I would like to thank all of the volunteers and companies that donated their time and funds for lots of great prizes! A special thanks to Tim Foresta, Kyle Shock, and Greg Trombold for organizing this event.

The annual Clambake Social at the Cleveland Yachting Club will be held on Wednesday, September 13, 2017. The event will be held at the Center Isle location. Please look for a flyer in the near future for additional information.

The 2017 ASPE Technical Symposium and Product Show will be held October 19 – 22, 2017 in Montreal, Quebec, Canada. Passport is required to cross the border! Please visit aspe.org for more information.

Let us know if there are any specific topics or field trips you would like to see our chapter sponsor. We are always looking for new ideas. Remember, without membership and participation, there is no local chapter.

Have a great summer!

Regards,
John A. Varga, P.E.

PURELY AMERICAN NO FOREIGN MATTER

American craftsmanship is alive and well at Charlotte Pipe and Foundry.

When you specify cast iron pipe and fittings from Charlotte Pipe and Foundry, you know exactly what you're getting. Charlotte cast iron products always meet ASTM and CISPI standards, and we don't stop there. To achieve uniform quality, we tightly control the chemical properties and temperature of our iron. We measure weight, thickness and laying length for dimensional accuracy. And, we date stamp every piece of cast iron pipe we make. Be proud to specify American.

**LEAD-FREE.
WORRY-FREE.
HASSLE-FREE.**

4 YEARS EARLY.

With new national lead-free legislation taking effect in 2014, there's been a lot of talk about making the switch. Here's the truth: T&S was the first fixture, faucet and fitting manufacturer to convert its entire line to lead-free alloys back in 2010.

So when you purchase a T&S faucet today, you're already lead-free compliant. No worries. No hassle.

Visit tsbrass.com/literature to download a free brochure about our lead-free products, or contact your local T&S rep for more information.
