From the President:

I would like to thank Ron Mims with Acorn Engineering for being our guest speaker at the May Technical Meeting on the topic of Vacuum Plumbing Systems.

Congratulations to the ASPE Cleveland Chapter Board for re-election! The Cleveland Chapter will continue our efforts next season to have a mix of technical meeting topics at various locations.

The 2017 Region 2 President's Meeting was hosted by the Eastern Michigan Chapter in Detroit on June 3. Lots of great ideas transpired from this meeting which will be passed on to our board. A special thanks to them for hosting a great event!

I would like to also welcome our newest member to the Cleveland Chapter; Adam Lesiak with McHenry & Associates.

Let us know if there are any specific topics or field trips you would like to see our chapter sponsor. We are always looking for new ideas. Remember, without membership and participation, there is no local chapter.

Have a great summer!

Regards,
John A. Varga, P.E.

**LEAD-FREE.
WORRY-FREE.
HASSLE-FREE.**
4 YEARS EARLY.

With new national lead-free legislation taking effect in 2014, there's been a lot of talk about making the switch. Here's the truth: T&S was the first fixture, faucet and fitting manufacturer to convert its entire line to lead-free alloys back in 2010.

So when you purchase a T&S faucet today, you're already lead-free compliant. No worries. No hassle.

Visit tsbrass.com/literature to download a free brochure about our lead-free products, or contact your local T&S rep for more information.
